

Hello West End Hockey League Parents and Players,

The Ottawa Senators Hockey Programs (OSHP) want to help you work on your game this season!

We are excited to partner with your West End Hockey League for the upcoming season to provide players with reduced rates on development programs! This season all WEHL players will be eligible for 5% off our Fall & Winter Weekly Skills programs at either the Bell Sensplex or Richcraft Sensplex. When registering for a Fall or Winter Weekly Skills program, use the code **WEHL24-25** to apply the 5% discount. *Please not that while the promo code is active for all WEHL players, it is subject to program availability and meeting the program restrictions at the time of registration.*

To see the full fall lineup of programming, please visit our website by clicking [here](#). These programs take place weekly from October through December. If you are interested joining our winter programs from January through March, please contact us at senshockeyprograms@sensplex.ca and we will make sure you are added to the notification list for when it launches in late October.

If you are wondering what program is the best fit for you, or need assistance registering, please email us at senshockeyprograms@sensplex.ca or call us at 613-599-0222.

We hope to see you all around the rink soon!

Yours in hockey,

The Ottawa Senators Hockey Programs Team
